

4HOnline Sandbox

If you wish to “play in a sandbox” environment in order to test or look at things, please use the Training County.

Important Information

The application works best in **Mozilla Firefox**. If you do not have this browser on your desktop, please download it from this [link](#).

Our 4HOnline website address is: <https://wy.4honline.com> You may log in as follows:

❖ **First Option: County Manager (admin staff and educators) Login**

The email address is wy4honline@yahoo.com

The password is **test4Honline** (it is case sensitive)

The role is **County**

❖ **Second Option: Family with Club or Project Leader Access**

The email address is wy4honline@yahoo.com

The password is **Online18** (it is case sensitive)

The role is **Family**

In the family profile:

Club Log in: **Emptee Pockets** Club: **4-H Adventure Club** Password: **Adventure1**

Project Leader Login: **Emptee Pockets** Project: **Archery** Password: **200ARC**

❖ **Third Option: Create a profile for yourself under Training County**

Use your information

Do not change or reset either of the passwords for wy4honline@yahoo.com because everyone in the state will use this same log in and password. Multiple users can be in at one time in the same account.
