

Are you a victim of software counterfeiting or is your copy of Windows not genuine?

If you have a computer and it is not connected to the UW network on campus regularly, you may see this message:

When the above message appears, make your request for help by one of the following three methods. Calling the UW IT Service Center provides you with the quickest response.

- **Call** the UWIT Help Desk at 307 766-4357 (HELP), option #1.
- **Chat** online with a representative at <http://support.uwyo.edu>.
- **Email** userhelp@uwyo.edu with the details of your request.
