Creating a Requisition for Administrative or Benefited Staff Hire

This guide will cover:

- Creating a requisition for benefited staff and administrative hires.

Prior to beginning this process, the position must be set up correctly, including any modifications, within HCM. The Position Initiation and Modification form can be found on the HR Class Compensation website.

Prior to completing a new hire, the HRMS Funding form must also be completed so that the hire can be promptly and accurately entered into HCM. This form is found on the Payroll website. If candidate selected is a new hire (and thus does not have a person number), indicate “new” in the person number field on the funding form.

If a department is refilling a position and needs to change the job title & grade of the position while the previous employee in the position is still on terminal leave, a terminal leave position number must be requested. This can be done using the Position Initiation and Modification Form found on the HR Classification and Compensation website.

Step One
Navigate to the Recruiting section of WyoCloud from WyoWeb.

- Upon signing in, the homepage will display. Click on the Navigator button (three horizontal lines) in the upper left-hand corner.

Select Recruiting under the My Team header within the Navigator.
Navigate to the Recruiting section.

Welcome to your Talent Management suite!

This is your Welcome Center. To navigate to an application, click the corresponding tab in the menu bar above or the corresponding Quick Access link on the left.

Additional resources are available in the top right corner of the screen.

As you navigate through the Talent Management suite, remember that you can always click “Home” at the top of the screen.

Step Two
Set up the requisition.

![Flash Note]

Note: Flash must be enabled within your web browser. For assistance on enabling Flash, see this [guide](#).

- Select the **Create Requisition** button.

  ![Create Requisition](image)

  - In the Create a Requisition window, select the **Benefited Staff & Admin** bubble.
  - Click **Next**.

  ![Create a Requisition](image)

  - In the Create a Requisition window, click on the **selector icons** to search for and select a template based on the job that will be posted and the associated department.
    - You may also type directly into each field and the system will locate available options similar to what is typed.
In the **Requisition Template Selector** window, search for the job in the search for the name of the job in the **Requisition Title** field.

If you need assistance in determining the appropriate job, contact Human Resources at 307-766-2377.

- Once the correct job is found on the left, click **Select**.
- Repeat this step to select a **Department**. Click **Next**.
In the next window, the **Organization** and **Primary Location** will be auto populated based upon the department selected. If incorrect (ie: if the job will be located away from the department’s primary location), this information can be updated by using the selector icon.

The **Job Field** will be populated by beginning to type the job type and selecting the appropriate option when displayed: **Administrative & Executive OR Staff**.

- Click **Create**.

---

### Step Three

Fill out all requisition fields that are required to post.

- In the **New Requisition** window, fill out all required fields.
  - Required fields can be viewed by using the **Diagnostic Tool** on the right side of the page. Click on the **wrench icon** to open the Diagnostic Tool.
Once the Diagnostic Tool is open, the fields that are required under Save, Request Approval, and Post are visible on the right-hand side of the page.

To display an asterisk next to the fields that are required to save, request approval, or post, select the desired option on the Show fields required to: drop down.

To close the Diagnostic Tool, click on the two right-facing arrows.
In the **Identification** area of **Requisition Structure**, complete the following:

- **The Requisition Title** field pre-populates to the job name and should not be changed. However, a dash can be added for additional clarification (i.e. **Assistant Coach – Women’s Swimming**).
- In the **Justification** drop down, choose the option that best describes why this job is being posted. Provide a brief explanation for justification in the text box below.
- **Location Room Number** and **Campus Phone Number** should be completed to aide in completing the hire when a candidate is selected. If this information is unknown, department main office information can be used and updated later.
The *Structure* area prepopulates based upon information previously entered. However, it can be updated using the **Edit** button, if needed.
In the Owners area, the note underneath the section header is a guide for who should be populated for the Recruiter, Hiring Manager, Recruiter Assistant, and Hiring Manager Assistant fields.

- **Recruiter**: Depends on type of job (see note on requisition).
- **Hiring Manager**: Supervisor of the position.
- **Recruiter Assistant**: Should be left blank.
- **Hiring Manager Assistant**: Individual designated by hiring manager to assist with the in system administrative tasks associated with the search process.

Members of a Search Committee can be added collaborators.

- Click **Modify**. Then in the pop-up window, use the **search** on the left and click **Select** on the right side to add the appropriate collaborators. When all are added, click **Done** in the pop-up window.
The **Candidate Selection Workflow** will display as either Administrative & Executive or Benefited Staff based upon the job. Contact the assigned Employment Partner if the process workflow does not appear accordingly.

In the **Job Information** area, there is an option to request an exception to the posting requirement. If no exception is requested, select **None** from the drop down.

- If an exception is requested, provide detailed explanation as well as name of individual you’d like to direct hire. The request will be reviewed by Human Resources and the Office of Diversity, Equity, and Inclusion.

3. Job Information

**Request Exception to the Search Process**

The University of Wyoming recognizes that there are generally three valid situations that occasionally develop that may preclude standard search process: Target of Opportunity, Business Necessity, and Spousal or Domestic Partner Consideration. Candidates opportunities that result from such situations must meet the required minimum qualifications.

For Benefited hires, please add the resume of the candidate to the Requisition in the Attachments section to be reviewed by Human Resources and the Office of Diversity, Equity, and Inclusion.

**A complete Explanation for Exception to Posting that includes justification is required if there is an Exception to Posting**

**Exception to Posting**

- None

**Explanation for Exception to Posting**

- None

**Exception to Posting Name**

- Please include the name of the person being hired.
In the *Profile* area, fill out all job-specific information.

Jobs must be posted for the minimum required days according to UW processes unless an exception is requested an HR and/or the Office of Diversity, Equity & Inclusion as applicable. To request a shortened recruitment period, select the drop-down and indicate the justification for the posting time frame in the **Posting Note** section.

- Academic & Administrative positions are to be posted for a minimum of 30 days
- Staff positions are posted based on FLSA status: Exempt post for a minimum of 21 days and Non-Exempt post for a minimum
- Internal promotional opportunities are only posted for 7 days, along with Athletics positions
- All positions can be recruited for on an “Open Until Filled” basis, but must meet the minimum day requirement prior to proceeding.

**Posting Note**

Must provide reason for exception to posting.

---

- In the **Job Description** area, the **External Description** sub-section will have some information prepopulated from the job description. However, all information in the **Description – External** and **Qualifications – External** text boxes must be reviewed and edited when relevant.
To include the same information in both the External and Internal Job Posting Descriptions (recommended), click the **Copy From** button.

Click **Done** in the pop-up window to copy the text entered in the External Description fields.

In the Questions sub-section, click the **Apply Model** button to include the predefined pre-screening questions.

Additional requisition-specific questions can be added by clicking the **Add** button and selecting questions from the pre-approved library.

Questions can also be created by clicking the **paper icon** to the right of the Add button. **Note**: Added questions are subject to approval by Employment Partner.
Additional information can be added about the requisition in the Additional Information section.

- For example: Include the Search Committee Chair name if it is different from the Hiring Manager. Notes for approvers and/or Employment Partner can also be included.

### 6. Additional Information

<table>
<thead>
<tr>
<th>Additional Information</th>
</tr>
</thead>
<tbody>

<td></td>
</tr>
</tbody>
</table>

- Once you feel you’ve fully completed the requisition, open the Diagnostic Tool to confirm all fields indicate ready.
- After the requisition is saved, a unique requisition ID is assigned. Notice after the requisition is saved, the Status on the left-hand side is still Draft.

![Diagnostic Tool Screenshot](image-url)
Step Four

Save and request approval of the requisition.

- At any time, the requisition can be saved and completed at a later time. It is also required it be saved prior to requesting approval.
- Click **Save and Close** at the top of the screen.

- After saving, click on the **More Actions** drop down, then **Request Approval**.
In the Request Approval window, all approvers for the requisition are noted. The approval workflow depends on the job type:

- **Administrative & Executive:** Budget Office, Hiring Manager and up each step of the hierarchy to the Vice President level, Office of Diversity, Equity and Inclusion, and the appropriate Employment Partner in Human Resources.
- **Benefited Staff:** Budget Office, Hiring Manager and up each step of the hierarchy to the Vice President level, and the appropriate Employment Partner in Human Resources.

If additional approvers beyond the standard chain are desired, they can be added through using the **Add Approvers** button in the lower left corner. **Note:** Additions can only be done while the requisition is pending. Added approvers are automatically added at the end of the approval chain.

- Add a **Comment** to the approvers in the comment box (required).
- Click **Done**.
Once the approval request has been sent, notice the status has been updated to Pending.

Step Five
Checking the approval status of a submitted requisition.
- From the Recruiting Center, click Pending from the Requisitions area.
- After a requisition is fully approved, it will appear under Open.
- This will bring you to a list of all requisitions you currently have open. Click the desired title to open the details of the requisition.

- Here, you can review all details of the requisition. To view the approval chain, select the Approvals tab.

- This will display the full list of approvers. In the Decision column, you can see if each individual has approved or if their approval is still pending.

**Note:** This is just a sample approval workflow. Each requisition type has a specific workflow based upon university regulation.

You have now completed the steps to Creating a Requisition for Administrative or Benefited Staff.
