Moving Members to a Different Family

This process is not a common occurrence. Please proceed with caution.

1. The **New Family Profile** should be in place by the member.
2. Make a note of the **New Family Profile** mailing address.
3. As a County Manager, log into the **Member’s Profile Account**.
4. Look for the address in the dropdown **Move “Slant” to a different family**.
5. Place a checkmark on **Login To New Family After Change**.
6. Press the **Change Family** button.

7. Confirm you want to move the member to a different family.

8. Update any necessary information.
